By working together, we want to deliver new, high-quality social homes that will benefit generations to come.

ESTATE DAY

We'll be back at the Four Courts for a dedicated repairs day on Friday 17 April.

Our teams will be working alongside our contractors to complete as many outstanding repairs as possible.

We'll also be surveying the buildings and estate to identify any new communal repairs. Please continue to report any issues, whether inside your home or in shared areas, so we can make sure they're dealt with as soon as possible.

In addition to repairs, we'll be providing skips so you can dispose of unwanted items free of charge.

CHURCHILL COURT ENTRANCE DOOR

We're aware of the ongoing issues with the entrance door at Churchill Court. The door is automated, so please allow it to fully open by itself. Forcing it open will cause it to break and lead to further disruption.

If you notice it's out of service, please let us know straight away. The easiest way to report this is through your Online Account, or you can call us on **0300 303 1066**
